

- **PROGRAMMED and PLANNED mass protest** against Makana Municipality using **AYANDA KOTA**.
- Lures social movements to **show solidarity** and **manipulates** them for **OWN OPPOSITION OF RULING PARTY POLICIES**.
- Using and abusing major media vehicles to **CHARACTER ASSASSINATE** the ruling party.
- **PAID BAIL** to release UPM members from police custody.

**IMMEDIATE COUNTER ENGAGEMENT WITH NECESSARY  
ROLE PLAYERS TO DISCREDIT AND UNDERMINE AYANDA  
KOTA'S CHARACTER.**

Engage with **RURAL PEOPLES MOVEMENT, AZAPO, BLACK CONSCIOUS PARTY (LIMPOPO PRESIDENT, MKOSI MALALA), COSATU, AFRICAN COMMUNIST PARTY** to make them aware of involvement of Ayanda Kota with the **white groups** and **apply pressure** to **distant** themselves from any help asked by Ayanda Kota due to his **misconduct** and **association** with disgranted white groups and his **HYPOCRITICAL STANCE TOWARDS THE BLACK COMMUNITY** and the efforts of the ruling party with regard to making the townships a better environment.

**HOW DOES IT WORK WITH RHODES UNIVERSITY**

Disgranted white academics **finds critical research** of students and **supply journalist** students with research and asked to find social movements to **implement these documents**. Social movements go into black communities using journalist reports with the intension of **tarnishing the efforts** of the **90% PROGRESS OF THE RULING PARTY**. They intentionally select the 10% that needs attention which the ruling party has neglected. Because Ayanda Kota **wants to get his social status back**, Jane Duncan tries to find him **scholarships** so that he can **continue** with the **racist programme** and because of this contribution Ayanda tries to make a contribution as an **IMPOSTER TO THE**

**BLACK PEOPLE** thinking that he is **advancing their courses**. **AYANDA KOTA REMAINS AS LONG AS JANE DUNCAN IS THERE.**

As long as Jane Duncan is **connected to academics** it gives Ayanda Kota a **platform to socialize** with UPM and find students to volunteer working with them so that Jane Duncan's **PROJECT IS STEAM ROLLED.**

Jane Dunkin is **MOBILIZING socialist lecturers** at Rhodes University to show **solidarity to OPPOSE RULING PARTY.** They are **Claudia Martinez- Mullen** of the "Women's Forum" and **Pedro** husband of **Sally Matthews.** **Claudia** allows **POWER and CONTROL and ACCESS** to use "Women's Forum" members to show solidarity and **Pedro supplies motor vehicle and donations** for UPM activities.

### **HOW ARE THEY STRUCTURED**

They find volunteers to work for them. They get **advice from experts on how to develop their arguments** as UPM. **As long as the argument continues they will grow.**

They work with very well **PRESS RELEASE WRITE UPS** and very **precise critique** on government. They will go to the extent of **criticizing DA** and any other party just to **create an illusion** of not being with them. They are with themselves and other social and solidarity movements. **They associate with DA and whites who run the economy of Grahamstown, big business people. COPE and people who lost hope in the ANC.** They will all bunch up to make sure they **DISCREDIT THE VALUE OF THE RULING PARTY.** They are all in **solidarity and not short term like the COPE problem.** This is **LONG TERM** because it has **knowledgeable people** and people who know where to **get funds to finance** social movements. **They are mobilizing lectures from socialist background to form a united, educated literate group.**

**THEY ARE UP FOR POLICIES,** their numbers will grow by making people **lose credit in the ANC.** The next time the ANC will want to run the elections, they won't be able because it will be hard for people to **trust them.** The DA will be **advanced** because they have a **position in parliament.** **THIS TOTALITY OF PEOPLE** are going to the white people who run the **economy of Grahamstown**

**AYANDA KOTA SAYS HE REPRESENTS THE OLD PEOPLE," HE IS ALONE WITHOUT THOSE PEOPLE".**

**HOW DO WE BREAK THE CHAIN?** If we look at the cycle of a tree, the **roots** of the tree are the **people with power**, the **stem** of the tree is the **people** and Ayanda Kota provides the fruits.

## **COUNTER PLAN**

**CREATE A COUNTER THIRD FORCE NOT UNDER THE BANNER OF ANC** but financed by the ANC. Engage movements through **WORKSHOPS, SKILLS DEVELOPMENT AND ADULT EDUCATION PROGRAMMES**. The group must be **PRO SELF MOTIVATING** and must **tap into** all funds government has. The **WEAKNESS OF THE UPM IS ITS NOT SELF MOTIVATING**. UPM members must be questioned why they are **not participating** and must be encouraged. They must engage **adults out of work**, who have the **necessary skills** to be employed, **University dropouts, co- op youths** of Grahamstown to make Grahamstown **"WORK"**. **THE OBJECTIVE WILL COMPLETELY DISMANTLE THE BASIS OF THE UPM.**

**SELECT WHO GETS INVOLVED. CHANGE THE MIND SET OF THE PEOPLE. CONVERT THE ANC CASSETTES TO DVD'S. GROOM NEW LEADERS FOR THE ANC.**

## **UPM AS PRIVATE WARD AT RHODES UNIVERSITY AND ZOLANI**

**Disgranted whites** at Rhodes University will know who in the students will make a **difference**. They will encourage voluntary students to join social movements so that they can make an **impact**. They transfer these students to UPM or any other organisation, they are financed by local businesses who are **pro DA whites and racist people who are against local government.**

## **LONG TERM STRATEGY**

Once they have identified these people and **give them education and back up and brain wash** them so that they can be **"SOLID WITH THEIR ARGUMENT"**.

They want to cause distraction, WHY? Because it **WORKED IN APARTHEID TIMES** and black people did it and it worked. They have **FORMED ELLIGENCE WITH FUNDERS** and IT MAKES THEM FEEL THAT THEY CAN DO WITHOUT GOVERNMENT. THEY ARE USING THE SAME STRATEGY.

**HOW DO WE NEUTRALIZE AN DESTABILIZE, DISEMPOWER, DISCREDIT AND DISMANTLE UPM POWER OVER THE PEOPLE**

GO ON A MAJOR PUBLICITY AWARENESS CAMPAIGN TO DISCREDIT, DISEMPOWER, DISMANTLE THE BASIS OF UPM:

- I. Through the media
- II. Through RADIO GRAHAMS TOWN
- III. Through public community indabas

**"HE SAYS HE REPRESENTS THE PEOPLE, WE SAY HE IS ALONE WITHOUT THE PEOPLE"**

- **CHARACTER ASSASSINATE** and discredit his efforts through public dialogue by educating the very people he represents **IN PUBLIC** on the **99% EFFORTS OF THE R ULING PARTY WITH REGARD TO TRANSFORMATION PUBLICITY**
- UPM is for **destroying** the efforts of government and **not for advancing** the government.
- **DISCREDIT** the **FOUNDATION OF UPM** in public with information that is value to the people.
- Turn all his strong points and make it **INVALID**.
- To **destroy him**, we go to the people who he leads and **speak to their needs**.
- Engage at meetings to counter attack his argument so that he cannot blind the people about his agenda.
- Allowing his meetings to go unchallenged will allow bias one sided arguments to manifest and will give power for mobilization.

- **EXPOSE AND MAKE THEIR FINANCIAL MISMANAGEMENT TO THE PUBLIC.**
- **Neutralize any argument through debate so as to not allowing forming a block through debate BETWEEN GOVERNMENT AND PEOPLE**
- **Educate community, destroying and burning to protest will put them in prison and odds with the law.**
- **PRESSURE LAW AGENCIES AS VEHICLES to suppress and keep in check protests.**
- **Discredit in public**

## **SOCIALIST**

The influx of lectures to Rhodes University from **SOCIALIST COUNTRIES** with **SOCIALIST MINDSET** is further manipulated and taken advantage by Jane Dunkin.

She knows their mindset and leads or encourages activists to engage with them to draw them to form a **UNITED OPPOSITION** against the ruling party. The reason for this is a bigger serino to **UNFOLD** and **SURPRISE** the Ruling Party when they are going to launch an independent candidate at **RHODES** and **ZOLANI** under the banner of UPM.

These lecturers namely are husband of Sally Matthews, Pedro and lecturer Claudia Martens. Pedro provides the motor vehicle for UPM public announcement and other travelling. Claudia Martens is also a Women's Forum member with Mhlwathikwa from COPE. This **COMBINATION** in the **WOMAN'S FORUM** is "**CHEMISTRY FOR DISASTER**" and Jane Dunkin is using them to **FURTHER HER GOALS AGAINST THE RULING PARTY.**

Ayanda Kota is a wounded lion, **OPPOSING US ON OUR DOORSTEP**

## CONCLUSION

**THIS PERSON SHOULD NOT BE GIVEN MUCH CREDIT.** Because he is vocal and speaks English and is educated he **speaks with confidence**. Ayanda Kota **cannot operate** without the support of **AIDC and Jane Duncan at Rhodes University**. He is working with RU, people **doing research**. This research is **well connected with universities and academics**. His **reliance with Jane Duncan of High Way Africa** and **ties with other academics and the media**. **THIS CRITICAL RESEARCH BY ACADEMICS** are passed on to Ayanda Kota. The research are **DOCUMENTED THROUGH MEDIA POWER HOUSES** and **directed** by Jane Duncan to character assassinate, undermine the 99% efforts of the ANC .

**THE ONE WHO PUTS THE ARGUMENT ACROSS BLINDS THE PEOPLE BECAUSE THEY HAVE AN AGENDA.** They want to be **seen** as honest and concerned with the community that they did **not partake with government** if they are **really concerned**. **THEIR ARGUMENT OR DEBATE IS DESIGNED IN CONFRONTING THE GOVERNMENT THROUGH THE PEOPLE**. They are **finding people** who have **nothing to lose**, the **researches** are **done** by white organisations who have the same goals as **WHITE SUPREMACY, DA, COPE, DISGRANTED WHITES** who want to **hold on to wealth and power to DEFEND THE WHITE EGO**.

Their **strategy** and **game plan** is obvious, **how did the black people overpower white NATIONAL PARTY** during the **apartheid era**, burning down buildings, destroying government infrastructure and efforts and aligning themselves with social movements.
